Policy

Wyndham Community and Education Centre Inc. (Wyndham CEC) is committed to providing students and clients with opportunities to participate in excursions that will extend the educational program or community development projects they are enrolled or participating in to broaden their experience and knowledge.

Excursions offer participants the opportunity to participate in learning related experiences outside the normal educational or community environment. Excursions may also be permitted where they provide participants with the opportunity to participate in sporting, cultural, community or citizenship events. These are especially important for students and clients in Wyndham CEC's adult language & literacy programs, vocational education and training (VET) programs, pre-accredited programs, settlement orientation programs and students undertaking applied learning courses such as VCAL, Pre-VCAL, Reconnect and/or other Youth programs.

Excursions must be inclusive; all students and clients within a group must be given the opportunity to participate.

The CEO has responsibility for oversight of excursions to ensure they are conducted in an appropriate manner and for ensuring that Managers and staff have followed this policy and procedure in relation to any excursion. This responsibility includes oversighting:

- appropriate staffing and supervision
- venue selection
- student/client preparation and behaviour
- safety, emergency and management including risk minimisation strategies
- informed consent from parents/ guardians/ informal carers (students under-18)

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc. on 16/10/2020 and supersedes all previous versions.

Wyndham Community and Education Centre Inc. Policy and Procedure

- medical information
- first aid requirements
- how staff will meet their responsibilities under Child Safe Standards
- the importance of providing an inclusive excursion experience for all
- requirements for any adventure or potentially risky activities
- Board approval (if required)

All proposed excursions organised by teaching or other Wyndham CEC staff must first be discussed with the relevant Manager as per the Excursion Flowchart and as follows:

Training Services:

- VCAL and Youth Programs VCAL, Pre-VCAL, VCAL & Youth Manager
- Adult language & literacy, pre-accredited and VET excursions - Education Manager
- VETiS excursions - RTO Manager and/or follow mainstream home school processes

Community Strengthening Services:

- All excursions and activities - Community Strengthening Manager

Projects:

All excursions and activities eg. Reconnect – Projects Manager

If the excursion is considered high risk or meets the definition of a major excursion (see Definitions below), once approved by the relevant Manager, the excursion must be approved by the CEO. Excursions that include high risk activities, are overnight residential, or camps, require approval from the Board of Governance (the Board).

Definitions

Local excursions - students working outside the class room OR activities which do not involve ‘Adventure Activities,’ that include short visits to places of educational value including an opportunity to participate in sporting, cultural, community or citizenship events, within the local community of Wyndham such as the local library. Excursions in this category usually do not carry major risk.

Non-local Excursions – excursions that are all-day or over several hours that require students or clients to leave the local municipality of Wyndham and use public or organised transport. Excursions in this category usually do not carry major risk.

Major excursions* – excursions that are overnight/ residential excursions OR excursions that include adventure activities or activities that may have inherent risk factors.

Policy and Procedure

*On the rare occasion that an excursion in this category is organised, it must have approval from the Board. The Board would be responsible for approving overnight excursions, camps, interstate or overseas trips, excursions on weekends or adventure type excursion if an excursion of this type should ever occur. (Note: Wyndham CEC does not usually conduct excursions involving overseas travel or interstate travel.)

Duty of Care - applies not only during normal educational classroom activities, but also during local, non-local and major excursions. Duty of Care applies from the time of departure from Wyndham CEC, for the duration of the activity/ excursion and until students/clients have been dismissed from the excursion. Duty of Care requires that staff should take all reasonable measures to ensure the safety of any student or client under their care.

Risk Review – A risk review must be conducted before seeking approval for any overnight excursion or excursions that involve higher than normal risk activities such as some sporting activities or travel to remote areas. It is extremely unlikely that any excursions or activities in this category would be undertaken at Wyndham CEC given the nature of the organisation and the programs and services it offers. However, should this occur, Wyndham CEC would seek approval for an activity from the Board. In the case of students aged under-18 or in Community VCAL, Wyndham CEC would seek permission from the home school or follow departmental guidelines.

Wyndham CEC does not usually conduct excursions involving overseas travel or interstate travel.

Informed consent - means that parents/guardians (or informal carers as required) of students/clients under the age of 18 years give permission for the student/client for whom they are responsible to participate in an activity after they have been informed of the details of the activity and associated costs involved.

For students 18 years and over, they are able to give their own permission to participate in an activity after they have been informed of the details of the activity and associated costs involved.
